DEATH NOTE

How to use it

XL

◦ Whenever a god of death who had been in the human world dies and the DEATH NOTE is left behind and is picked up by a human, that person becomes the owner.

人間界(にんげんかい)にいた死神(しにがみ)が死(し)に、人間界(にんげんかい)に残(のこ)されたデスノートは、
人間(にんげん)が拾(ひろ)えばその人間(にんげん)のものとなる。

◦ However, in this case, only the human that can recognize the god of death and its voice is able to see and touch the DEATH NOTE.

しかしこの場合(ばあい)、その死神(しにがみ)の姿(すがた)や声(こえ)を認知(にんち)できていた人間(にんげん)でなければ、
ノートを見(み)る事(こと)も触(さわ)る事(こと)もできない。

◦ It is very unlikely, but if by any chance a god of death picks up the DEATH NOTE, that god of death becomes the owner.

可能性(かのうせい)として極(きわ)めて低(ひく)いが、死神(しにがみ)が拾(ひろ)えばその死神(しにがみ)の物(もの)となる。
